Summary

I'm interested in product management and startup environments, So far, I have experience working in two EdTech and Ecommerce startups. I'm eager to brainstorm, create and develop new products and MVPs. I'm a huge fan of soccer and I play chess daily! Overall, I'm close to being a technical product manager in terms of technical knowledge, problem-solving skills and soft skills that I have, also I'm open to learning new things. I have ENTJ-T personality.
